## Experts for all your design, supply and build needs.

Get help with your next building project. We are here  
for all your design, supply and build needs.

Located within each of our UFA Farm and Ranch  
Supply stores, our knowledgeable BSRs will help you  
choose from our standard buildings, or design your  
own custom structure - whichever plan works best  
for you. They help you pick out the right structures  
and materials, and complete building packages.

We've checked the competition for the lowest  
prices on our lumber advertised items.

This is our way of letting you know our products  
are priced to give you peace of mind.

United Farmers of Alberta strives for accuracy in all product descriptions and pricing. If errors occur we will post notice of correction and advise our customers of changes or required substitutions. In cases of late shipment of goods UFA will make every reasonable effort to supply our customers with a UFA raincheck. All sale items are limited to stock on hand and UFA reserves the right to limit quantities. If store orders product from another UFA location at customer's request, purchase may be subject to additional shipping costs. All prices indicated do not include GST.
